

2022 Kansas Economic Policy Conference

Joshua Svaty **Owner and Operator, Free State Farms**

Joshua Svaty advises early stage companies working to electrify the intersection of agriculture and energy. He serves as a Senior Adviser to Nitricity, a company producing nitrogen fertilizer from electricity, and also serves as a Senior Adviser to the Advanced Power Alliance working on intergovernmental and agricultural relations. Joshua and his wife Kimberly own and operate Free State Farms in central Kansas, a diversified crop and livestock operation. He is a former member of the Kansas House of Representatives and the former Kansas Secretary of Agriculture for the state of Kansas.
