							# For 65 years and over, includes children, siblings, etc., not shown separately																																																																																																																																											
<hr/>							Notes:																																																																																																																																											
							(1) A family is a group of two or more people residing together (one of whom is the householder) related by birth, marriage, or adoption.																																																																																																																																											
							(2) The count of family household members may differ from the count of family members in that the family household includes nonrelatives living with families, whereas the family includes only the householder and his/her relatives.
